

# SHEHARYAR KHAN

## PROFILE

I am Sheharyar Khan, an 18-year-old frontend web developer currently studying Computer Science in my second year at Govt. City School. I have two years of technical experience as an inverter repair technician at Power Mac Solar Solutions, which has given me a strong foundation in troubleshooting and problem-solving. I am also building my skills in UI/UX design to create engaging and efficient web interfaces.

## Skills

- Web Developer
- UI/UX Designer
- Problem Solving
